

BIGGLESWADE TO BRYMORE

BEDFORDSHIRE - BRIDGWATER, SOMERSET

200 MILE TRACTOR RUN

I am doing this challenge in Memory of My friend Jake Bowles. Jake took his own life last year in the middle of our GCSE's, Jake loved his tractors so as a tribute to him I am driving our MF35 200 miles to Brymore School where we met and became great friends. Leaving Biggleswade on the 20th June and arriving at School for the Annual Show and Open Day on Saturday 27th June to exhibit the tractor. My aim is to raise money for POPYRUS a charity that try to prevent young suicide and support those who are affected by it. Please help me to help POPYRUS - It could save a young life
